

Orchard Weekly Bulletin 16th October 2017

Orchard weekly Bulletin is one today! It's now a year since we launched our very first weekly bulletin! We hope that you have enjoyed finding out about the events that have happened in school and find the information in the bulletin useful. In the future we are hoping to email this out to parents. Watch this space!

Adventure Playground

A reminder that children are **only** allowed to go on the adventure playground after school if they are supervised by an adult. This is for a maximum of 10 minutes only as after this time our out of school club use this facility. We expect the children to be kind, considerate and well behaved on the adventure playground just as they are in the school day. We know our children love the new adventure playground and want to thank you all for your cooperation with this.

A wonderful medal haul for Orchard!

At the area cross country finals, held at Ashfield School, over 400 children competed. Orchard took a team of twenty four, year five and sixes. The event was well organised, as Ashfield sport students are encouraged to organise and marshal the course. Our children competed with great enthusiasm and brought home bronze medals for our year five teams and silver for both girls and boys year six teams. Dillon Bottomore gained an individual silver after coming second in the boys year six race. Well Done Orchard.

Parents Evening

Thanks to all parents for coming into school last week. It was a delight to see so many of you and to read the positive feedback that you have left. Don't forget if you have any worries about your child's education please see your class teacher or Mr.Cook we are always happy to help. ☺
