

Orchard Weekly Bulletin 13th November 2017

Our whole school participated in a special Remembrance Day assembly and two minutes silence on Friday. Children were very respectful and gave thanks to those people past and present that help to protect our country. Children were also involved in many different activities including making poppies, writing poems and our Y5 and Y6 children also visited the war graves and the memorial in Kirkby.

School Dinners This week we are on week 2.

Hedgehog

Last week we had a very special visitor to our school grounds. We were thrilled that the hedgehog found our school a safe place to be and shows what a haven for wildlife our grounds are. We took the hedgehog to the vets as it seemed a little small.

Thinking of keeping our grounds as a wonderful place for all wildlife now the months are getting cooler we are asking for any donations of bird food to be bought into school and given to Mrs. Austin. House points will be given out to anyone who brings some in.

House Point Target

This week is national anti-bullying week.

This Weeks House Point Target is:

Being kind and friendly to everyone
