

## We Need You!

As the Parent Governor linked to Friends of Orchard Primary School (Parent's group) I wanted to send out a personal plea to parents and carers. The group has shrunk to a very small, but committed group of parents and carers who work hard to plan, organize and support many of the special events in school that children love so much e.g. Christmas fayre, themed discos, Orchard's Got Talent, Teddy Bear's picnic. There are lots of jobs involved in all of these such as organizing raffles, getting prizes, wrapping prizes, selling tickets, staffing stalls, running refreshments, setting up and tidying up. We need more support to keep offering this fabulous range of activities. Please do let the school office know if you would be willing to help out - you don't need to commit to attending all the planning meetings or helping at all the events, we know that you are all busy people, but if we have a list of parents/carers that we can call upon, who are willing to help if and when they can then it will make a huge difference. Come on get involved with the Christmas Fayre and help us make it a success and fun for all!

Thank you!

Kathryn Frith (Parent Governor and mum of Luke and Reuben Davis)
