Foundation Stage Production - The Littlest Star

A huge well done to our Morning Nursery and Mrs Monks'/Mrs Edlin's class and to our Afternoon Nursery and Mrs Colley's class for two fabulous performances of 'The Littlest Star'!

The children looked wonderful in all of their costumes and really sang and acted well. Never mind the 'Littlest Star' we think that you are all BIG stars!!

Year 6 TRIP Graduation

Our Year 6 children have taken part in the TRIP program - totally ready for the in-between phase. Here are some of our children receiving their certificates.

Key Stage One Production - Lights, Camel, Action!

This week also saw two outstanding performances of Lights, Camel, Action! The children in Key Stage One were amazing at telling the Christmas story 'Strictly' style! We are sure that you will all agree the Key Stage One children deserve a HUGE score of '10' for their efforts!

Miss Attenborough - Winter Coats for Homeless Shelter

Thank you so much for all of the donations for Framework. So far we have 45 coats, 24 jumpers/fleeces and over 50 hats, scarves, gloves and socks. These have all been delivered and are gratefully received. Donations are still being taken.

School Dinners This week we are on **week 3**. Please remember to place your dinner order online.

Key Stage Two Carol Concert

School Wall

Due to the roots of the trees the wall at the front of school was leaning towards the road. The dangerous part has now been removed and made safe. The wall will be rebuilt in the near future.

A reminder that you are invited to come and watch the Key Stage Two Carol Concert on Thursday 21st December at St. Wilfred's church 1.30pm.
