

Orchard Weekly Bulletin 14th May 2018

Good Luck to all our Year 6 pupils this week who are taking their SATs tests. They have worked so hard leading up to this week and we are already very proud of them all. We know that they will try their best and give it 100%. Also good luck to our Year 2 pupils who will be sitting their SATs tests over the next couple of weeks too. We know what superstars you all are!

School Uniform - As we are now in the summer term with warmer weather can we remind our Orchard pupils and families to name all school uniform. If children then take their jumpers or cardigans off during the school day we can ensure that they are returned.

Mrs Mee and Miss Gullett's class were involved in a fabulous workshop on Thursday afternoon led by none other than the Northern Ballet! Here they got to learn some ballet moves and perform to music. The children are now really enthused about our visit to the Palace Theatre on the 5th of June to see the Northern ballets production of 'The Ugly Duckling'.

Fine Dining

Fine dining continues to be huge success. Each week children are selected to eat their lunch on a Friday on the 'Top Table'. This week we held a special Year 3 and Year 4 fine dining experience. The following children were selected for having amazing table manners, helping others and being extremely polite at lunchtimes:

Multi-Skills Festival

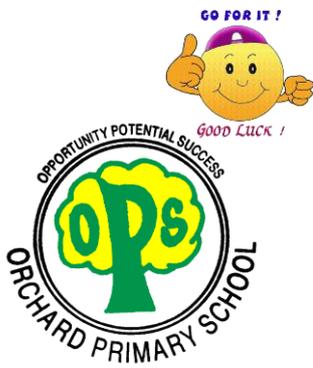

A group of our Year 3 and 4 children had a wonderful time attending a multi-skills festival at Ashfield school. Here they got to participate in a number of activities - a particular favourite being speed stacking.

Football Success!

The year 4 and 5 team were in action in the Presidents Trophy football tournament. With determination, teamwork and respect, Orchard won the tournament by beating Greenwood 2-0 in the final. The organiser of the tournament said it was the best football he had seen for some time.

Dear Parents/Carers

As you may have noticed some areas of our lovely school grounds are in need of some TLC. We are therefore making the outdoor area our fund raising focus for this school year. We are hoping to rebuild the raised beds so that the children can continue to garden in them and to improve other outdoor areas.

Key Stage 1 have had a brilliant idea to help with our fund raising - "*Why don't we have a sale of unwanted toys and games across school?*"

This sounds like a fun activity and fits in brilliantly with the KS1 recycling topic. The sale will take place from 2.30 pm on Tuesday, Wednesday and Thursday 22nd, 23rd and 24th May. Please send donations of toys/games to your class teacher from Friday 18 May 2018.

Thank you for your support in this exciting fund raiser.
