

Orchard Weekly Bulletin 21st May 2018

A big well done to all of our Year 6 children who worked so hard and concentrated so well during last week's SATs tests. We are confident that every one of our children gave it their very best and we are very proud of them. We expect the results back to us in early July. Good luck to our Year 2 children who will be completing their SATs this week. Again, we are confident that they will do their best and that is all we ask.

Attendance Challenge

Royal Wedding Celebrations

Orchard pupils thoroughly enjoyed celebrating the wedding of Prince Harry to Meghan Markle with a fabulous themed lunch on Thursday. It was wonderful to see all of the children sat outside eating their lunch, waving their flags and joining in the celebrations! The special picnic meal prepared by our school cook Mrs. Stevenson was delicious! Orchard sends a huge congratulations to the newly married Duke and Duchess of Sussex.

White Post Farm visit Nursery and Reception

Our Nursery and Reception children had a fabulous visit from the White Post Farm. Here they got to see, stroke, touch and feel different animals and find out how to care for them properly. The children asked lots of questions and were delighted to see the different animals.

Hedgehog

Our school grounds are attracting lots of wildlife due to the little habitats we have created - wood piles, insect hotel and long grassed area. Whilst outside this week our Year 5 children spotted a hedgehog in our habitat. As the poppies we have planted grow we look forward to seeing what other birds and wildlife visit our school grounds.

Toy Sale

The Key Stage One children will be holding their toy sale this week to link to their recycling topic. The sale will take place from **2.30pm on Tuesday, Wednesday and Thursday 22nd, 23rd and 24th May**. Please send donations of toys/games to your class teacher as soon as possible. All profits will go towards our school grounds.
