

Orchard Weekly Bulletin 15th October 2018

Last Monday our Year 6 attended an amazing performance by the 'Ministry of Science' at Mansfield Palace Theatre. The children were amazed by the wonderful practical experiments using chemicals, electricity, air and water. Charlie Barton had a 'HAIR RAISING' experience on stage. They learned about many scientists and their discoveries from the past. The whole show ended with a huge BANG!!!

Music - Drum Launch Assembly

Orchard welcomed George Stanton and Tom Dempsey from Sound Advice Music Education on Friday for a drum tuition launch assembly. Year 2 children and above participated in a large scale band with body percussion, samba drums, shakers, Ukulele, bongos and key boards. It was amazing to hear the wonderful rhythmic sounds created! Anyone wishing to buy drum tuition in school for their child should ask at the office for a form to complete. The lessons are only available to year 2 children and above. Further instruments will be added to our provision later in the year such as guitar, woodwind and strings. Watch this space for further updates or see Mrs Bailey in school if you have any questions.

World Restart a Heart Day 16th October

Tuesday 16th October is World Restart a Heart day. It is a national designated yearly day of action with the aim to teach vital life-saving cardiopulmonary resuscitation (CPR) skills to as many people as possible. Today a number of our staff has received the most up-to-date paediatric first aid training including CPR.

Year 5 and 6 Cross Country

Year 5 / 6 cross country heats were held at Ashfield School this week. In the glorious sunshine our children competed extremely well, running the whole way round the field. Both our Boys 'B' team and our girls 'A' team came away with a silver medals. A brilliant effort!

Year 3 and 4 Egyptian Day

A reminder that our Year 3 and 4 children have an Egyptian Day on Thursday 18th October. We are looking forward to a day packed with super activities and lots of fun! If you have any problems regarding costumes please see Mrs.Austin.

House Point Target

This week's house point target is: **Independence**
I can try something new on my own.
