Young Voices Vocal Workshops

Our Young Voices Choir had an amazing vocal workshop at Kelham Hall this week. It was led by Mark DeLisser who has forged a wonderful career developing Gospel choirs around London and writing Choral arrangements. He arranged the song 'Stand By Me' that was sung at Prince Harry and Megan's wedding sung by the Kingdom Choir. The children experience singing in harmony and were truly inspired by Mark's high energy and enthusiasm for music. A Great Day!

Y3/4 Music - Ukulele Tuition

The music excitement continues in year 3 and 4 as Mr Banahan has now moved on from the Bongo and Djembe drum tuition to Ukulele. The children already sound wonderful playing along to familiar rhymes such as 'Row, row, row your boat.'

Y5 - WW1

Year 5 welcomed Mr Thixton to class. Three generations of the Thixton family had fought in wars and won medals. The children saw medals from WW1, Egypt, Afghanistan and WW2. There was also a WW1 post card from the home out to the front. Thank you to Scarlett and her Dad for bringing them in for us to look at as part of our investigation into WW1.

Bikes and Scooters

Just a polite reminder to any children bringing scooters or bikes to school in the mornings to walk with them once they are on the school playground. Our playground can be very busy with children, younger siblings, pushchairs and parents and we need to be mindful and respectful of all.

House Point Target

This week's house point target is: Respect
I will always show respect to others especially adults.
