

Music

Another musical week at Orchard started with our Year One children enjoying a Taco drumming workshop. These workshops are free to school from an Arts Council Grant given to Inspire - a charitable community benefit society delivering cultural and learning services across Nottinghamshire. The children had a brilliant time learning rhythms and playing along to well-known songs.

Mr Banahan also taught Samba drumming to all of our year 3 and 4 children last week. The whole school vibrated with the wonderful Samba rhythms created.

Please send them in to your child's class teacher.
