Father's Day Breakfast

Our special Father's Day breakfast was a huge success! It was so nice to see so many of our Dads and Grandads come into school to share a delicious breakfast with their children. This wonderful event also managed to raise a wonderful £440! We hope you all had a brilliant Father's Day yesterday.

Mansfield and Pinxton Railway

Our Year 5 pupils all entered a competition to design a flag marking two hundred years since the start of the Mansfield & Pinxton railway. It is the oldest continually running railway line in England. Our children were given information about the formation of the railway at a previous meeting with Denis Hill a Heritage Consultant. The children's artwork impressed the panel so much that as many pictures as possible were incorporated onto the flag design. Each child was given a flag and a pen as a mark of thanks for all their hard work.

Year 5 Children Visit Ashfield School

Our year 5 children had a wonderful morning at Ashfield School on a taster day recently. They were treated to an interactive lesson in the language department where some of our children were able to show off their French and Spanish speaking skills. Then on to Music where they were all given a guitar and tablature; they were all able to play a simple tune by the end of the session. Finally the art department challenged the children to design and make a paper garment fit for a space catwalk. With a drink and cookie to keep them going, all the children had an amazing morning!
