Dear Parents

We have been able to invite our Year 6 back to school this morning after such a long time and it has been lovely to see them.

We miss all our children but in order to continue to support our key worker and vulnerable children alongside our Year 6's and keep safety as a priority, we do not have the space at present to invite back Foundation Stage and Year 1 as planned by the government or indeed any other year group.

Although things change daily, it is looking more and more likely to be September before we can open up more widely. However if anything changes we will update you as soon as possible.

Home learning will continue to be provided until July 24th and we will support children unable to come back in every way possible.

Please feel free to contact school with any questions or concerns.

Many thanks, stay safe

Jane Chambers
Headteacher
