Dear Parents

We have been notified by Notts City Council that the price of School Meals has increased to £2.25 from the start of this academic year.

Although this comes at an unfortunate time as we return to school, we are still pleased to be able to offer quality meals at a price which remains cheaper than other providers.

As a matter of safety and within present restrictions, we will be offering grab bags as a school meal. These are free for children in Reception and Key Stage One and for those in receipt of free school meals.

For those parents paying for their child's meal, this will need to be done in advance via Scopay. All children will need to make their choice of sandwich/panini in advance also to ensure this can be provided.

If you have any concerns, please contact the school office.

Many Thanks

Jane Chambers
Headteacher
