Macmillan Coffee Morning

Thank you to everyone who participated or donated to our Macmillian Coffee Morning virtual event. Our Orchard staff, children and families managed to raise a wonderful £250 for this very worthwhile cause.

Parents' Evening

We realise at this moment you are probably wondering about Parents Evening as it usually takes place before half term. Your child will receive an individual report on Friday 16th October. We are then working to set up virtual opportunities for you to discuss this further. More information to follow.

School Photographs - Tuesday 6th October

A reminder that children in school and nursery will have individual photographs taken tomorrow. Children in Year 1 and 2 are advised to come to school in their uniform on the top half and then P.E bottoms and trainers.

Parking Around School

Parking at Riverside flats next door to school is for permit holders only. Whenever possible we try to encourage our children and their families to walk to school. If you do need to drive please be respectful to the other members of our community. Try and park where you are blocking no other vehicles or drives and allow access for delivery vehicles. We pride ourselves on having good links with the community and would really appreciate your cooperation with this.

House Point Target

This week's house point target is:

Independence
I can have a go!
