

Ten Pieces

This week is our very exciting Ten Pieces week. The whole school will be participating in several musical activities based on the work of Florence Price.

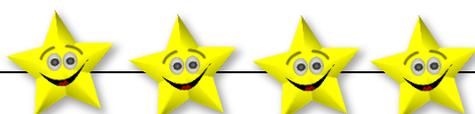

As an African-American woman, Florence Price combined the traditions of classical music with the sound of spirituals and West African rhythms and dance from her own culture.

In 1933 she overcame prejudice to become the first black female composer to have her work performed by a major orchestra. The children will be involved in many creative activities such as drumming, African art and crafts and maybe even some body percussion! Please keep your eyes peeled on Dojo to see what each class gets up to.

Attendance Challenge

Position	Class	Attendance
1 st	Mr Jackson	99.3
2 nd	Mrs Mee	98.9
3 rd	Mrs Jenkinson/Mrs Tilstone	98.7

Whole School Attendance
96.8

Celebration Assembly

Huge congratulations to the following children who received the Orchard celebration 'Shout Outs' on Friday.

Daisy Belcher (RC) Nathan Sorianosos (RBE) Heidi Wood (1M) Emma Smith and Sophia Frost (1/2B) Isaac Macro (2JT) Harry Gilbert (3OF) Woody Thorpe (3/4W) Scarlett North (4H) Phoebe Gibson (5/6H) Elizabeth Frost (5/6M) Mazie Pearce (5/6J) Alexandra Sutkowska (Y1) Mr. Davies Mrs. Hemstock Y5 Morning Group - Mrs. Chambers

They have been awarded special Dojo points to mark the occasion. We hope that the children have enjoyed telling you what they have achieved their special mention for.

Special Nursery Visitors

We have had some very special visitors in our Nursery. The Nursery children have been reading 'Owl Babies' so please welcome Percy, Sarah and Bill the Blackbird babies. Thank you to all of our nursery parents and children for being respectful when opening and closing the gate to allow the eggs to be protected we now need to continue to do this to help protect the babies.

Year 3 and 4 Super Scientists

The children in Years 3 and 4 have been exploring making electrical circuits. They know which components are needed to make a bulb light up and have also gone on to explore putting more than one bulb in a circuit. What super scientists you all are!

Cricketing Super Stars

2JT have been practising their throwing skills. Using underarm and overarm to knock over the targets!

Top cricketers!

House Point Target

This Weeks House Point Target:

I will keep practising until
I get better.
