Key Stage One and Reception Visitors 🐛🦋

There are currently some very special visitors in our Reception and Key Stage One classes. The children are all eagerly watching the caterpillar eggs grow and change before their eyes. If you have a child in one of these classes please ask them about what they have observed as changes are happening daily.

Nursery - Special Delivery

More exciting news - our Nursery children were so excited receive a very special parcel last week. They unlocked their curiosity key by thinking hard about what could be inside in the box. The children were so excited to see that some new pets for their pet shop had been delivered. The children are working very hard to take care of them.

School Trips

We are so excited that we are able to offer our children some visits and trips over the coming weeks. A polite reminder to bring any money to the office as soon as possible. Thank you. We can't wait to share the different experiences on Dojo with you all.
